Headteacher – Mr P Eaton

Friday 25th April 2025

Dear Parent/ Guardian,

We hope everyone had an enjoyable break and Happy Easter to all!
Sadly we ended the Easter break with the death of Pope Francis. Pope Francis was an inspiration to everyone, and we have paid tribute to him in class and assembly, and especially through our prayers. If we all had some of Pope Francis' attributes, the world would be a better place.

HORABIN CUP TAG RUGBY COMPETITION

Two teams competed at the annual Tag Rugby competition at Fleetwood RUFC. The B team finished fourth overall, and played some excellent rugby, in both attack and defence. However, congratulations are deserved for our A team, who won every match and lifted the trophy! Well done to Oliver Hamilton, George Hook, Kimaya Mirando, Ellen Hewitt, Hallie Bilsborrow, Theo Longson, Kester Holden, Kalel Glaister, Frankie Porter and Elijah Rawcliffe!

PREPARE FOR SUMMER!

Children are welcome to bring in sun hats, sun cream (roll ons are best), roll on deodorant (older juniors!), sunglasses in preparation for the occasional day we get warm weather. Please ensure PE kits are in school every day, as PE lessons may be moved to days when the forecast is better, or emergency PE lessons are decided upon!

WATER AID / UNICEF

Thank you to the children, staff and parents who joined us on our sponsored walk for Unicef, the generosity of our families and friends is incredible, raising £1300 for the charity.

ST NICHOLAS OWEN

Sadly the presbytery at St Nicholas Owen suffered a serious fire, with arson being the likely cause. If anyone saw anything suspicious between 5-6pm on Tuesday 22nd April, please let the police know.

BUILDING DEVELOPMENTS

We are looking to transform the KS2 classrooms, to match the infants, by installing vinyl flooring.
We have also been successful in a bid for over £100k to replace the flat roof, which we are hoping to complete over the summer.
We have also installed a security alarm system to do the opposite of a fire alarm, so everyone would come in if there was an issue outside, such as the stink from the local tip! We have practised this with the children already, so they know the difference between the two alarms!
