125th Anniversary Celebration- quotes

Father Peter

The photo of the church interior was taken at the time of the Floral Display which formed part of the 125th Anniversary celebrations in 2023.

Catholic Women's League

The blue arrangements on Our Lady's alter were done to represent The Catholic Women's League at Sacred Heart Church. These are the colours of the league. There are 17 members who meet once a month in the Bamber room.

The yellow arrangement on the baptismal font is for all the people who have been baptised here at Sacred Heart over 125 years.

The Carter Family

My dad and grandad were both members of the church and school from early age. My grandad helped to build the church hall which is now Tea and Tumbles on Crabtree Road.
My dad was an alter server as a boy. He told us that he would sometimes serve in the week at morning Mass which would mean missing school. He would also be given breakfast from the housekeeper at that time. He still even in his eighties, carried the cross at funerals. The three yellow roses were in memory of my mum, dad and sister.
