Dear Denise and All at Sacred Heart School,

We're delighted to write to you and share our heartfelt thanks to everyone at Sacred Heart for taking part in this year's Elf Run 2025.

Your school raised an incredible **£792.10** – what a fantastic achievement!

We truly appreciate your generous donation and hope you all had fun spreading festive cheer throughout your school.

This year, more than 30 local schools and nurseries joined in with our Christmas festivities. It's been wonderful to see hundreds of children across the Fylde Coast supporting Brian House Children's Hospice. Your involvement means so much to us, and we're overwhelmed by the kindness shown by our community.

Thanks to your support, we can continue providing vital respite and palliative care to local children and families who need us most. On behalf of everyone at Brian House, a huge thank you to all the staff, children and families who made your fundraising possible.

Your generosity truly makes a difference.

Warmest wishes,

GC Webster
